ORIGINAL ARTBOOK

The background is a dark blue, textured surface, possibly resembling a book cover or a wall. It is covered with numerous red splatters and dots of varying sizes, some of which are larger and more prominent, while others are small and scattered. The splatters are concentrated more towards the top and bottom edges, with a few smaller ones in the center.

AND THEIR STORY

This story begins in the middle... The middle of this Mexican's life, the crucial

turning point of his existence. The moment he was cornered. It was during the scorching summer. They had been chasing the Mexican eastward for a whole week. They refused to let up, even for a

but he knew that it wouldn't be long before they were back on his heels.

There was nowhere to run – the desert would kill him if their bullets didn't. He had to reach civilisation – These putos can find me there – he mumbled grimly.

At the entrance to the town he saw strange silhouettes.

moment. And the flask on his belt was empty, as it had been for most of the week.

ization.

JUAN

He is an escaped slave with a skills of a real thug. The life of such people can be described as "bright but short". Nevertheless, Juan doesn't look young , so there is a lot more to him than appearance suggests. His very first visit to the bar starts the chain of bloody events and doesn't let him stop even for a second.

FATHER ANTHONY

Father Antonio tried to convey Lord's Word at the wrong time and absolutely in a wrong place. Those locals, who prayed in a church and left donations apparently were not familiar with a term "critical mass". Even \$2 was a critical mass at that exact moment. And Miguel's gang arrived just in time. But wait! Prayer has been heard - the angel of retribution as alive appeared with a revolver in his hand. Nope. It's Juan.

DANNY DEAN

Here is a great way to catch a bullet - open a bar in the middle of nowhere. Here is a great way to catch a bullet - be a gentleman among criminals. Here is a great way to catch a bullet - greet Juan in your bar ... It is clear, Danny Dean's business plan was not the best one.

SLIPPERY PITT

"If it is profitable for you - then it is profitable for me."

Slippery Pitt could do any business so good, that each side of a deal was pleased.

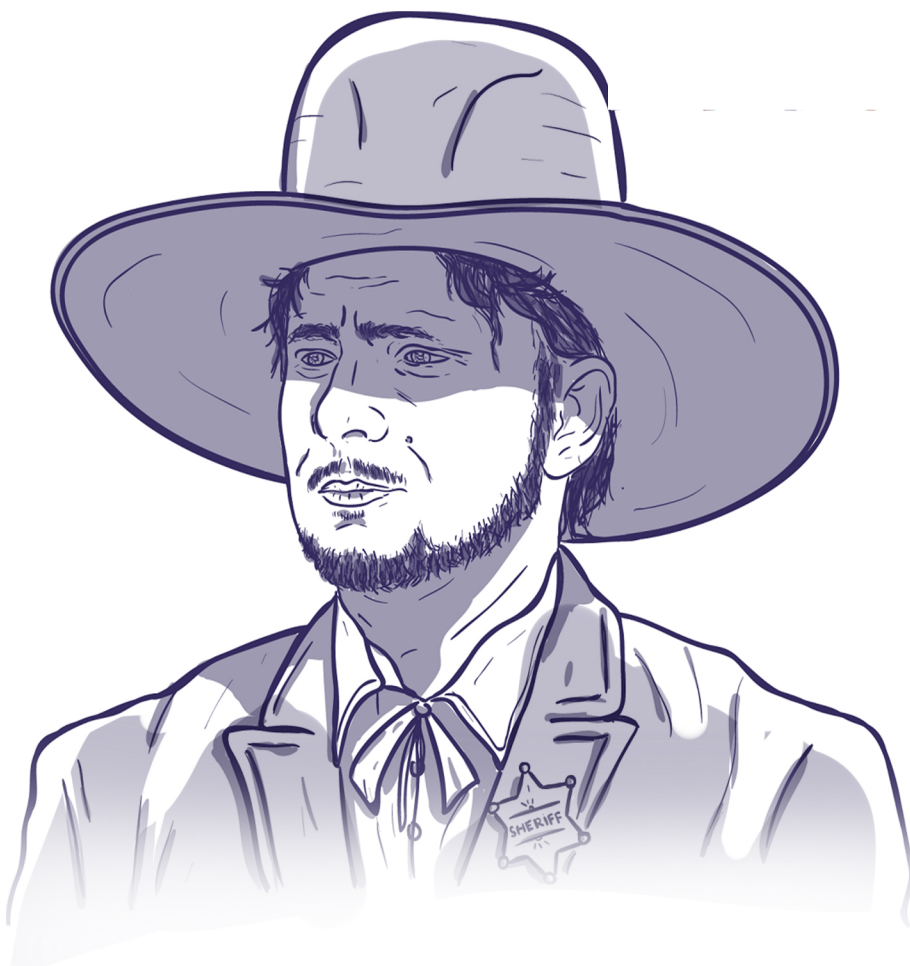

The secret of success - is a good plan and reliable partners.

So the plan is next: get into the military fort, take out a couple boxes with weapon and just wait here, let's say for a week.

Pitt will bring your money in time.

Guarantee!

Really, the person with a name Slippery Pitt just can't cheat on you!

SHERIFF MIGUEL

If big power is in hands of the one person, then this person is corrupted for sure.

If you are the head of a gang of thugs then you have a reason to afford yourself impunity.

If all district is terrified even by the sound of your name and your cellar is full of loot then you can relax.

When your people with big guns enter the church, and only Mexican, spattered with blood exits alive, then it's a reason to shoot, damn it!

Pitt said the convict was named Jerry. The local sheriff caught him red-handed during a robbery. Instead, the sheriff found a better use for Jerry. The Mexican watched the entire process from be

The Indians surrounded Jesus.

All of them carried a coup stick.

He was bound.

After the first blow the Mexican spewed forth a fountain of profanity.

After the second he just roared. He counted one hundred coups before he passed out.

Lost soul? - A mocking voice wakes Jesus up.

You were left to die, but our savior guided his prophet to save you! - The voice continues.

What prophet? Fuck! - The Mexican sputtered.

I am the prophet, naturally! From now on you will accompany us on our pilgrimage west. You will

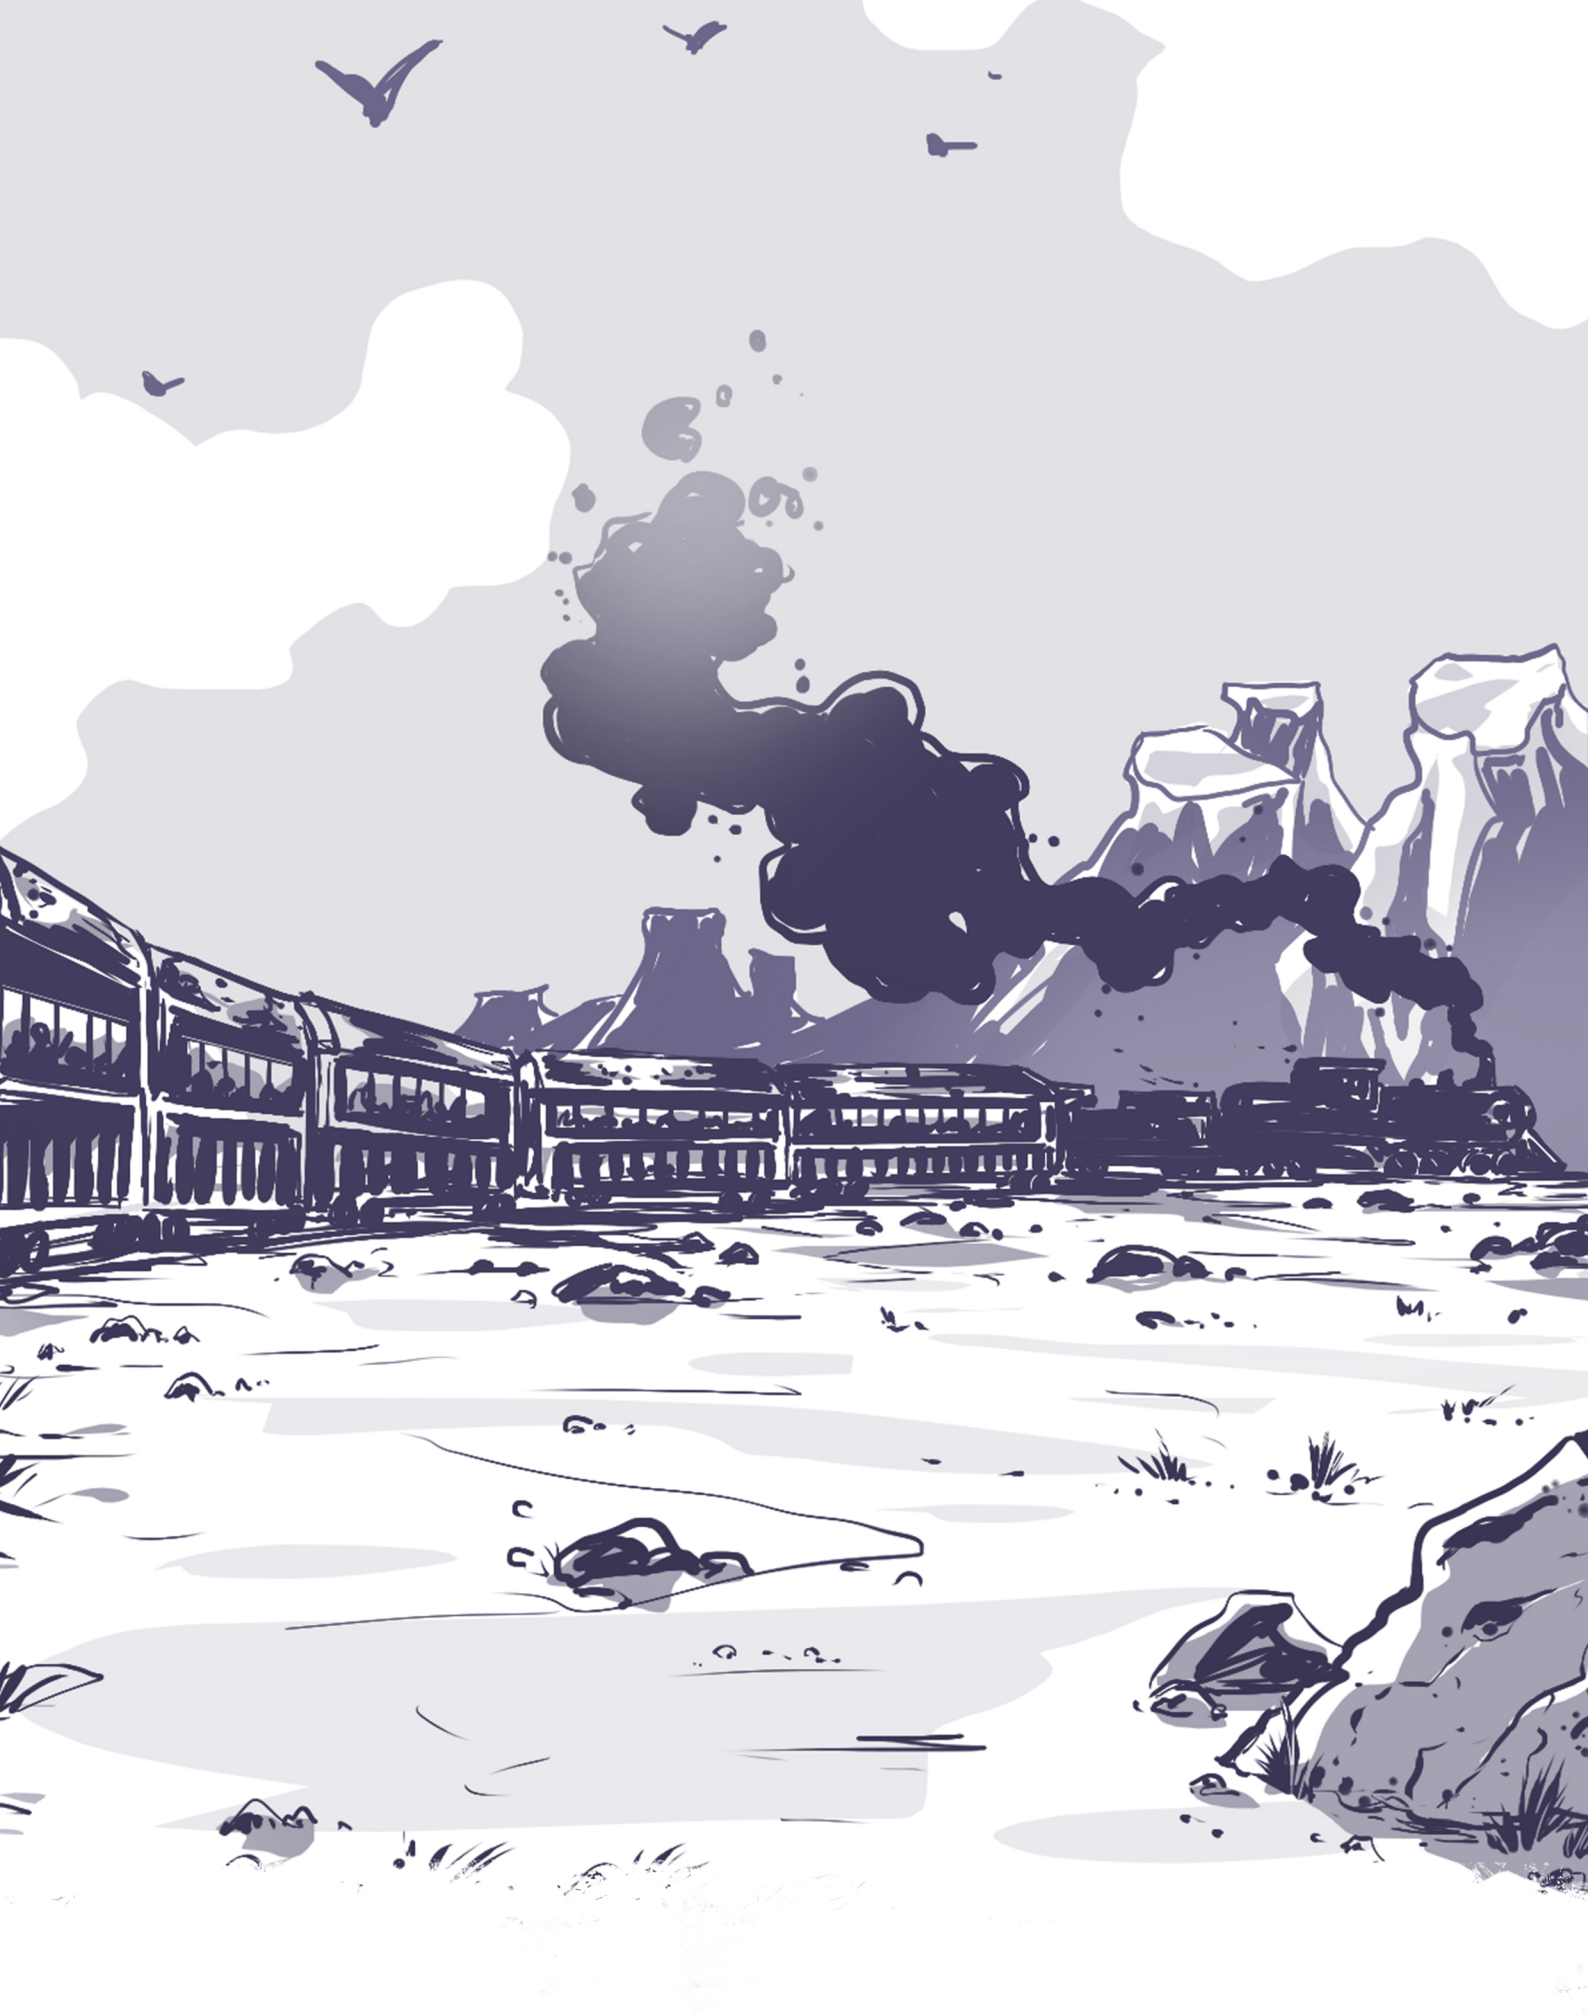

help us, and in the process you will save your soul.

The Mexican caught the earliest train at the closest station. It was headed to Houston.
